

3-7 APRIL I LIKE TO READ

A week-long focus on the joys of reading!

We love to read! Join in the fun for a full week celebrating the windows to our world called BOOKS! Whether you're a parent or student, there's something for everyone. See the back for a full schedule to help your family make the most out of planning for the week. Each family is encouraged to donate 1 to 3 English children's readers or storybooks for our kindergarten classroom book drive. Our goal is 20 new books per class!
