

Standardized Testing—TAKS

Be Ready!

**Go to bed by 8:30 PM
21-23 March**

**Eat a healthy breakfast
every day**

**Read aloud at home 20
minutes daily and
answer questions about
the story.**

Standardized tests are used world-wide to determine what grade a child is in compared to most traditional international schools. At SIS, we are licensed to give the Texas Assessment of Knowledge and Skills (TAKS) from the USA to our students. Each leveled class at SIS corresponds to a TAKS test by subject and grade. TAKS are recorded on student final report cards and are an indicator of student readiness for the next grade level. Students may enter SIS middle school when they have made a 70% or higher on all 5th grade TAKS subject tests and meet the other entrance criteria.

SIS teachers have been preparing students for TAKS tests all school year through the curriculum and teaching offered in the classrooms. Additionally, students were given practice TAKS last week to help prepare them for the real tests which will be given 22-24 March to Discoverers and primary students and March 20-24 to middle schoolers.

Take Note Primary School

**World of Wonders classes
take Reading
Comprehension TAKS
March 22nd**

**Math classes take Math
TAKS March 23rd**

**Language classes take
Revising & Editing &
Writing TAKS March 24th**
